

Modifying CQ/X for the New Exchange Type in the New Mexico QSO Party
Chuck NO5W January 25, 2023

Here are the simple steps to change the New Mexico QSO Party exchange from NAME to RST.

Step 1: Find the contest definition file for the NewMexicoQsoPary. The file will be

C:\Program Files (x86)\CWSoft\CQXClient\ContestDefns\NewMexicoQSOParty\NMQP.def

Step 2: Use Notepad text editor to open NMQP.def

Step 3: In NMQP.def change the line that reads EXCHANGE_TYPE=CALL+NAME+QTH to
EXCHANGE_TYPE=CALL+RST+QTH

Step 4: Save NMQP.def back where you found it in Step 1.
